## Batting Rampage Plus Shutout Hurling Win Narberth 2 Victories

Upper Darby and Pottstown Victims of Clancey and Herrmann

### "DREAM" GAME JULY 10

As a preliminary to the Main Line's "dream game" July 10, Narberth provided a couple of nightmares for two other circuit members last weekend.

The home team in fact got in enough batting practice against Upper Darby on Saturday that the Davismen were really in shape to hit a few on Sunday against Pottstown.

Sad statistics of the Saturday rout were: Narberth, 12 runs, 15 hits and one error; Upper Darby, 0 runs, 6 hits and 4 errors.

The Sabbath massacre's scorekeeper listed for Narberth, 15 runs, 20 hits and 2 errors, and for Pottstown, 0 runs, 4 hits, 4 errors.

With hurling such as exhibited by Bud Clancey against the Updahs and Al Herrmann versus the Pottstown team, and with bludgeoning like that provided by all hands, there seems no need to pick a squad from the Lower Main Line teams to battle an Upper Main Line aggregation in the aforesaid "dream game." Just let Herrmann, Clancey and Walter Masters pitch three innings apiece, with the rest of the Narberth team behind them to bring in the necessary few runs.

In Sunday's contest Catcher Jack Eachus had to retire from exhaustion in favor of Manager Davis after Jack, in five times up, had walloped the sphere for four singles and a sacrifice and scored a couple of times. Fox had a homer, Herrmann a triple while two-baggers were knocked out by Gazella, Walker, Fox and Rubincam. This Saturday Narberth will entertain Downingtown while their guests on Sunday at the borough playground will be the Coatesville nine. Neither of the visiting aggregations believes

## Alfred Wetherill, Jr. Dies at Summer Home

Member of Old Quaker Family Served in Mexican Border Patrol

Final rites will be held this afternoon at four o'clock for Alfred Nott Wetherill, Jr., of Merion, veteran of the Mexican Border campaign and the last of a long family line of "Fighting Quakers," who died Tuesday at his summer home in Longport, N. J., following a long illness.

The Rev. R. H. Gurley, rector of St. Martin's Church, Radnor, will officiate at the services which will be held at the late residence, 407 Anthony road, Merion.

Born in Stratford, Mr. Wetherill was the son of Captain and Mrs. Alfred N. Wetherill, Sr. His father fought in the Civil War. His mother was the former Gertrude Johnson, descendant of one of the early Quakers who settled in Philadelphia.

Mr. Wetherill, who was formerly connected with Cassatt and Company, was a member of Troop A, Pennsylvania National Guard, and served in the Mexican Border Patrol in 1916 and later in the World War. He was a resident of Merion for over 12 years.

Surviving him are his wife, Mrs. Eden DeWitt Wetherill, an uncle, Barclay Johnson, of Narberth and an aunt, Mrs. Lewis Crew Johnson, of Devon.

He is also survived by his cousins, Colonel Samuel Price Wetherill, of Haverford; Mrs. William H. Megee, of Cynwyd; Mrs. Thomas C. Sims, of Narberth; Mrs. Warren Croll, Miss Marguerite Johnson and W. Ellis Johnson, all of Devon.

## Pictures of Tire Making Shown Before Rotarians

The making of automobile tires was shown in moving pictures before the Bala-Cynwyd-Narberth Rotary Club at its meeting Tuesday.

Eugene Quinn, the narrator and operator, told the clubmen that he had performed practically all of the factory processes shown during his 23 years of service with a rubber concern.

W. H. Durbin, president-elect of the club, presided.

## In Philadelphia Debut

AMPARA ITURBI who, with her famous brother, Jose Iturbi, will appear together as soloists for the first time in this country at Robin Hood Dell, Monday night.

## Famous Soloists Make Debut at Dell Concert

Jose Iturbi Will Appear With His Sister, Ampara, Monday Night

The appearance of Jose Iturbi and his sister, Ampara, together as soloists for the first time in this country, and one of the music world's greatest violinists, Efrem Zimbalist, mark some of the impressive features scheduled for the first full week of programs in the Robin Hood Dell in Fairmount Park.

The distinguished composer-conductor and his sister will appear on Monday and Tuesday nights, with the latter program given in Convention Hall. Four other Tuesday night concerts will also be given in Convention Hall. The magnitude of some of the special features arranged at the Dell led to the decision to stage them in the hall, where the increased capacity would allow a larger number of music lovers to witness them.

Born in Valencia, Spain, Ampara Iturbi has already established herself as a personality in her own right. At fifteen she played her first concert. In 1925, in Paris, she gave her first recital, and later in the same city, she gave a two-piano recital with her famous brother, which was soon followed by concert tours, alone and with her brother, which made her a great favorite throughout Europe.

She made her American debut as a pianist last month in Detroit, in a recital that was marked by one of the most brilliant receptions ever accorded a great artist.

## Wins Biggest Fish Prize

While fishing off Atlantic City aboard the "Only," commanded by Captain Elwood Starn, Miss Dorothy Dreibels last week-end won the pool for the biggest fish caught with a Spanish mackerel weighing nearly three pounds. Both the prize fisherwoman and the boat's captain are former Narberth residents. Captain Starn is the brother of Charles R. Starn, of 115 Rockland avenue, Narberth.

## Relief Cases Down One

Lower Merion's relief cases dropped off one last week to twenty-four while Narberth's remained the same, three.

## Scores of Local Boys and Girls Start Travel Tour From Narberth Library

Seventy-six boys and girls from Narberth and the surrounding neighborhood had enlisted with the Travel Club of the Narberth Community Library by 3 o'clock on Tuesday afternoon.

The entire library staff, including volunteer pages, was on hand to speed the enthusiastic travelers on their journeys Friday afternoon.

For one hour, a continuous line wandered from the "Passport Office" (the circulation desk) where Inspector Follette, the librarian, checked library membership and issued passports, and thence to the "Steamship and Air Lines" headquarters, "general manager" M. L. Glessner in charge, where travelers were registered and maps

## Narberth's Impressive Pyrotechnic Display Envy of Communities

Dollars Now Coming in for Borough's Annual Fireworks Demonstration

### BANK RECEIVING FUNDS

Brother Shaw, the fireworks tycoon, has just been in and said that we could very well arrange for our demonstration with our eyes and brains shut, as the prestige which he and his associates have derived from the fact that they have put on Narberth's shows for years is of inestimable trade value and a great deal of other business has flowed to them because of the excellence of our local displays.

All right, friend, we are glad to have been of service, but we have also gained some experience in this decade as to what our people prefer and we must see to it that this year's pyrotechnics are the denier cri in impressive illumination.

At Margate City last week-end they were saying that visitors to their Fourth show inevitably make comparisons with what was beheld at Narberth on a previous occasion and invariably the comparison is not to the shore's advantage. The difference is, we suppose, that we expend more cash and choice in our preparations and it may come to pass that a delegation from Margate will be on hand to see exactly how we do it.

Speaking of the shore, we asked a newsboy on the boardwalk why he wanted a nickel for a two-cent paper and he said that you had to pay a license of \$10 per year to sell newspapers on the promenade, which means they cover the extra cost by selling one paper daily, after which the extra three cents becomes a downright graft, only to be paid by those who don't mind being taken over.

Carl Metzger says the dollars are coming into the bank at a lively rate and he draws on his excellent foresight to declare that he believes the 1937 collection will be the best ever. Each year has been an improvement on the preceding one, but don't let us get too proud nor be making faces at Bala-Cynwyd, which apparently has given up entirely the idea of expecting donations and is now trying the experiment with a theatre benefit for Independence Day expenses.

If you have not as yet contributed it is hoped you will do so at once, as the list of generous givers to be published in next week's *Our Town* should be a splendid scroll of our general interest in a neighborhood activity of such pleasure and significance as an old-fashioned, whole-hearted celebration of the Fourth of July, the natal day of the nation.

Any merchant will take what you want to give, if it is not convenient to deliver it at the bank, or the committee will be glad to send for it if you phone Narberth 4100 that you have it ready.

## Graduates From Hahnemann

Mr. Herbert Harkins, son of Mr. and Mrs. Percy S. Harkins of Bala avenue, graduated June 10 from the Hahnemann Medical School and is now interning at the Hahnemann Hospital. Mr. Harkins also attended Lafayette College.

## W. G. Briner Resigns as School Director; Served Four Years

Board Will Name Successor, Probably at July 16 Meeting

### COAL CONTRACTS GIVEN

Narberth's School Board last Friday night reluctantly accepted the resignation of W. Grier Briner as a director of the borough school district.

Mr. Briner gave as his reason "press of business." It is understood that, following a severe illness last winter, he wished to resign previously but was prevailed upon by other directors to serve for a few more months.

He was elected as the choice of both parties in 1933 and his term had two years to run. The Board will select his successor, probably at the July 16 meeting. According to political leaders the appointee likely will be a man or woman who is willing to become a candidate at the Fall primaries and election, since the appointment would be good only until the first Monday in December.

Mr. Briner brought a practical knowledge of school affairs to the Board inasmuch as he was a supervising principal in Pennsylvania schools for nine years and has been representative of a school text book concern for the last sixteen years.

Both Mr. and Mrs. Briner, whose home is at 316 Merion avenue, have been active in affairs of the Narberth Parent-Teacher Association.

At the June session the Board authorized a temporary loan of \$7000 until 1937 tax money begins coming in.

Coal contracts were awarded to the Narberth Coal Company and to J. J. Skelton and Son.

## Girl Scout News

The final meeting of the Main Line Leaders' Association was held on the site of the Dove Mill Day Camp, on the estate of Mrs. Howard Longstreth, on Black Rock road, Haverford. The Day Camp Committee headed by Mrs. Herbert H. Wallower, of Rosemont, served tea to the leaders and the members of the Day Camp Staff.

The camp is open to all girls over ten years of age whether or not they are Girl Scouts. A day in camp closely resembles a day in an established camp. The girls arrive at ten in the morning and leave at four in the afternoon. They live in units according to their age and experience. Rogers, Oakmont, and Miss Barbara Smyth, Merwood Park, will assist Mr. Curtis in teaching pottery. Miss Gretchen Little, of Haverford, who is a graduate of the National School of Elocution will direct the dramatic activities. Mrs. W. H. Gummere, Haverford, will talk about stars and photography during the first week of camp. Mrs. Charles B. Crockett, Rosemont, will direct the nature activities with Mrs. Joseph Ferguson, III, of Oakmont, assisting. Mrs. Guy L. Cornman, of Ardmore, will be the final authority on scout techniques. Mrs. W. N. West, III, of Wynnewood, will teach folk dancing. Miss Joan Helms, St. Davids, will have charge of the archery. The older girls are being given an opportunity to work on the requirement for the pioneer proficiency badge under the direction of Miss Helen Shoemaker, of Wayne. Miss Elizabeth Cornman, Ardmore, will also be in the pioneer unit and will teach signaling.

The First Aid will be under the direction of Mrs. Fred C. Peters, Ardmore. Mrs. William A. Dyer, Ardmore, will be the camp hostess. Mrs. Samuel P. Huhn, Jr., is the registrar, and Mrs. Herbert H. Wallower, Rosemont, will have charge of the transportation. The Day Camp Committee members are Mrs. Herbert H. Wallower, Rosemont; Mrs. H. Longstreth, Haverford; Mrs. J. W. "Call It a Day," Monday and Tuesday, is Dodie Smith's delightful comedy of a human, middle-class English family on the first day of Spring. The cast has Ian Hunter and Frieda Inescort as the parents, Olivia de Havilland and Bonita Granville as the daughters.

## Girl Scout News

The final meeting of the Main Line Leaders' Association was held on the site of the Dove Mill Day Camp, on the estate of Mrs. Howard Longstreth, on Black Rock road, Haverford. The Day Camp Committee headed by Mrs. Herbert H. Wallower, of Rosemont, served tea to the leaders and the members of the Day Camp Staff.

The camp is open to all girls over ten years of age whether or not they are Girl Scouts. A day in camp closely resembles a day in an established camp. The girls arrive at ten in the morning and leave at four in the afternoon. They live in units according to their age and experience. The Dove Mill Day Camp will operate July 12, 13, 14, 15, 19, 20, 21 and 22.

Mrs. Carl Axel Thaysen, Narberth, will be the director again this year, with Mrs. Carl L. Cornman, Ardmore, as assistant. Mrs. Henry D. Booth, Jr., St. Davids, will have charge of the unit for the girls 14 and over; Mrs. Philip F. Murray, Merion, will take the unit for the girls from 12 to 14 years; while Mrs. Theodore Stieber, Narberth, and Miss Mary Ruth McCracken, Ardmore, will be the unit leaders for the two younger units.

The Dove Mill Day Camp offers an unusually diversified program of special activities under skilled leadership. Mrs. Homer Eachus, Merion, will head the Arts and Crafts activities. Mrs. S. Gordon Smyth, Merwood Park, has charge of sketching. Mrs. F. N. Floyd, Merion, will direct a weaving class. Miss Helen Herr, Wayne, will teach arts and crafts. Miss Jean Havlick, of Narberth, will teach puppets, singing and will have charge of the publicity. E. De Forest Curtis, Jr., of Ithan, is offering an unusual opportunity to the girls. He will teach the girls how to make pottery and will give a talk during the first rest hour. Mrs. Charles S. Rogers, Oakmont, and Miss Barbara Smyth, Merwood Park, will assist Mr. Curtis in teaching pottery. Miss Gretchen Little, of Haverford, who is a graduate of the National School of Elocution will direct the dramatic activities. Mrs. W. H. Gummere, Haverford, will talk about stars and photography during the first week of camp. Mrs. Charles B. Crockett, Rosemont, will direct the nature activities with Mrs. Joseph Ferguson, III, of Oakmont, assisting. Mrs. Guy L. Cornman, of Ardmore, will be the final authority on scout techniques. Mrs. W. N. West, III, of Wynnewood, will teach folk dancing. Miss Joan Helms, St. Davids, will have charge of the archery. The older girls are being given an opportunity to work on the requirement for the pioneer proficiency badge under the direction of Miss Helen Shoemaker, of Wayne. Miss Elizabeth Cornman, Ardmore, will also be in the pioneer unit and will teach signaling.

The First Aid will be under the direction of Mrs. Fred C. Peters, Ardmore. Mrs. William A. Dyer, Ardmore, will be the camp hostess. Mrs. Samuel P. Huhn, Jr., is the registrar, and Mrs. Herbert H. Wallower, Rosemont, will have charge of the transportation. The Day Camp Committee members are Mrs. Herbert H. Wallower, Rosemont; Mrs. H. Longstreth, Haverford; Mrs. J. W. Follin, St. Davids; Mrs. L. W. Cline, Cynwyd, and Mrs. Joseph Rogers, III, Oakmont.

**Six-Year-Old Child Hit by Truck**  
Dick Reuss, 6, son of Mr. and Mrs. E. H. Reuss, Jr., of 261 Sycamore avenue, Merion, was struck by a truck Tuesday at 12.15 P. M., when he was coming out of a driveway at Orchard Way and Brookway, Merion, on his bicycle.

## Bernie and Winchell Engage in Feud in Narberth Picture

"Wake Up and Live," now at the Narberth, brings the famed Walter Winchell-Bernie radio feud to the screen in a musical comedy built around Jack Haley's radio exploits. There are nine songs by Mack Gordon and Harry Revel. The supporting cast includes Alice Faye, Patsy Kelly and Ned Sparks.

"Call It a Day," Monday and Tuesday, is Dodie Smith's delightful comedy of a human, middle-class English family on the first day of Spring. The cast has Ian Hunter and Frieda Inescort as the parents, Olivia de Havilland and Bonita Granville as the daughters.

The popular "Bonus Night" is now featured every Monday evening.

Wednesday (Cash Award Night) Rochelle Hudson is featured in "Woman Wise."

A return engagement of "Dancing Lady," with Clark Gable and Joan Crawford, is scheduled for Thursday only.

### What Termites May Do to Your House

Termites have literally destroyed the face of this building. They have entirely ruined the 8 x 12 timbers under the sun porch, and used the studs in back of the fireplace, in the exposed room, to go all the way to the roof. This loss could have been avoided by proper extermination.

### HOME OWNERS WARNED

Termites Do Damage to Amount of \$50,000,000 Yearly

Miscalled "white ants" and "flying ants," termites are extracting a yearly toll from home and factory owners in the United States of over \$50,000,000 and the cost is mounting yearly. These insidious insects are rapidly becoming known as Property Enemy No. 1. They literally sprout from the ground because most cities in the United States are built over countless billions of them. They breed and come to the surface at regular intervals to devour buildings.  
One of the leaders in the fight against this pest is the Terminix Company of Philadelphia, with headquarters at Parkway and 17th street. I. G. Vogel, an official of this company, when asked how these destroyers are successfully checked, stated: "Terminix," the liquid chemical which crystallizes upon evaporation, kills termites upon contact. This solution injected into the ground and into drilled holes in the wooden structure, remains indefinitely in place. Termites cannot and will not attack anything that has been treated with Terminix, because it is deadly to termites either by digestion or ingestion. Therefore, Terminix forms an impassable barrier. Once placed in a property, Terminix is guaranteed effective for five years.  
"Terminix treatment," continued Mr. Vogel, provides an over-all insulation of the understructure—a complete treatment under high pressure

of wood construction at vulnerable points, handled by termite experts with modern equipment. Terminix is especially effective against the insidious "Subterranean termite"—the kind that nests in the ground and bores tunnels and shelter tubes to reach the woodwork above. They do damage before their presence is realized. Only a trained Terminix expert can detect their presence. All home owners are warned against this insect and urged to find out before it is too
